

**BIOBASED PRODUCTS
AND ENERGY CENTER**

Sustainable Energy & Biobased Product Symposium

February 21, 2025 | 9:00 AM to 1:00 PM

@ Starlight Terrace, Oklahoma State University, Stillwater, OK

Keynote Speaker

Dr. Aindrila Mukhopadhyay

Science Deputy, *Biological Systems Engineering*

Vice President, *Biofuels and Bioproducts at Joint BioEnergy Institute,
Lawrence Berkeley National Laboratory*

Symposium Overview

The Biobased Products and Energy Center is hosting a symposium on sustainable energy and biobased products. This one-day event is for faculty, professionals, and students interested in research, Extension, and education efforts that contribute to bioeconomy development and sustainability. The symposium will showcase current research in sustainable energy, bioenergy, biofuels, and biobased products and increase interest in the bioeconomy.

Join us to foster new opportunities for interdisciplinary
collaborations & partnerships

Call for Poster Presentation Abstracts
